Spring 2021

April is distracted driving awareness month. We know it's tempting, but please don't respond to notifications on your phone while you're driving. Instead, pull over to a safe location before responding. If you're texting, you're not driving.

What Neighborhood Watch is:

Neighborhood Watch is a crime prevention program that enlists the active participation of residents, in cooperation with law enforcement, to reduce crime, solve problems, and improve the quality of life in your area.

What Neighborhood Watch is not:

It is not a program designed for participants to undertake personal risks to deter crime.
